REVISED NOTICE OF PROPOSED AWARDS

Alternative and Renewable Fuel and Vehicle Technology Program

Grant Solicitation GFO-15-605 Light Duty Vehicle Hydrogen Refueling Infrastructure November 8, 2017

On April 6, 2016, the California Energy Commission (Energy Commission) released a Grant Solicitation and Application Package entitled “Light Duty Vehicle Hydrogen Refueling Infrastructure” under the Alternative and Renewable Fuel and Vehicle Technology Program (ARFVTP). The grant solicitation was an offer to fund projects that will expand the network of publicly accessible hydrogen refueling stations that serve California’s light duty fuel cell electric vehicles (FCEVs). The grant solicitation announced that there is a total of \$33.0 million available for the agreements resulting from this solicitation and that the Energy Commission, at its sole discretion, reserves the right to increase or reduce the amount of funds available. The solicitation offered funding for both capital expense grants and operation and maintenance (O&M) grants.

On February 17, 2017, the Energy Commission released a “Notice of Proposed Awards” identifying each applicant selected and recommended for funding by Energy Commission staff and including the amount of recommended funding and score for capital expense grant agreements.

On March 16, 2017, the Energy Commission released a “Revised Notice of Proposed Awards” updating the February 17, 2017, “Notice of Proposed Awards” and adding the remainder of the proposed stations that were not recommended for funding at that time.

The attached table, “Revised Notice of Proposed Awards”, dated November 8, 2017, adds five additional proposed stations recommended for funding by Energy Commission staff that were not recommended for funding in the March 16, 2017 “Revised Notice of Proposed Awards”. The five stations newly recommended for funding are identified by bold, underline text.

The “Passed, but not Funded for Main Station Competition Grants” section contains preliminary scores that are based on the California Hydrogen Infrastructure Tool (CHIT) run through the 15544 San Fernando Mission Boulevard, Mission Hills, CA 91345 location. However, if additional funding is added or station location changes are proposed, the Energy Commission reserves the right to re-evaluate due to market viability with input from CHIT.

This notice is being mailed to all parties who submitted an application to this solicitation and is also posted on the Energy Commission's website at:

<http://www.energy.ca.gov/contracts/index.html>. Funding for O&M grant awards will be noticed through a future Notice of Proposed Awards as funded stations are closer to becoming operational in accordance with solicitation requirements.

Funding of proposed projects resulting from this solicitation is contingent upon the approval of these projects at a publicly noticed Energy Commission Business Meeting and execution of a grant agreement.

| 7 | Hydrogen-Xt, Inc. | 1518 Magnolia Avenue, El Cajon, CA 92020 | \$2,124,145 | \$0 | \$908,105 | Ineligible for funding due to not achieving a minimum of 70% under the Coverage, Capacity and Market Viability; Safety Planning; and Project Readiness evaluation criteria. |
| 7 | Hydrogen-Xt, Inc. | 3605 East 7th Street, Long Beach, CA 90804 | \$2,124,145 | \$0 | \$908,105 | Ineligible for funding due to not achieving a minimum of 70% under the Safety Planning and Project Readiness evaluation criteria. |
| 7 | Hydrogen-Xt, Inc. | 601 South Highway 395, Olancho, CA 93549 | \$2,124,145 | \$0 | \$908,105 | Ineligible for funding due to not achieving a minimum of 70% under the Coverage, Capacity and Market Viability; Safety Planning; and Project Readiness evaluation criteria. |
| 7 | Hydrogen-Xt, Inc. | 10821 Tierrasanta Boulevard, San Diego, CA 92124 | \$2,124,145 | \$0 | \$908,105 | Ineligible for funding due to not achieving a minimum of 70% under the Coverage, Capacity and Market Viability; Safety Planning; and Project Readiness evaluation criteria. |
| 7 | Hydrogen-Xt, Inc. | 1102 Hollister Street, San Diego, CA 92154 | \$2,124,145 | \$0 | \$908,105 | Ineligible for funding due to not achieving a minimum of 70% under the Coverage, Capacity and Market Viability; Safety Planning; and Project Readiness evaluation criteria. |

| Proposal Number | Applicant | Station Address | Funds Requested | Proposed Award | Match Amount | Reason for Ineligibility |
|------------------------------------------------------------|-------------------|----------------------------------------------|-----------------|----------------|--------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Ineligible for Funding for Main Station Competition | | | | | | |
| 7 | Hydrogen-XT, Inc. | 3154 El Cajon Boulevard, San Diego, CA 92104 | \$2,124,145 | \$0 | \$908,105 | Ineligible for funding due to not achieving a minimum of 70% under the Safety Planning and Project Readiness evaluation criteria. |
| 7 | Hydrogen-XT, Inc. | 500 Bancroft Avenue, San Leandro, CA 94577 | \$2,124,145 | \$0 | \$908,105 | Ineligible for funding due to not achieving a minimum of 70% under the Coverage, Capacity and Market Viability; Safety Planning; and Project Readiness evaluation criteria. |
| 7 | Hydrogen-XT, Inc. | 2120 McFadden Avenue, Santa Ana, CA 92705 | \$2,124,145 | \$0 | \$908,105 | Ineligible for funding due to not achieving a minimum of 70% under the Coverage, Capacity and Market Viability; Safety Planning; and Project Readiness evaluation criteria. |
| 7 | Hydrogen-XT, Inc. | 11906 Campo Road, Spring Valley, CA 91978 | \$2,124,145 | \$0 | \$908,105 | Ineligible for funding due to not achieving a minimum of 70% under the Coverage, Capacity and Market Viability; Safety Planning; and Project Readiness evaluation criteria. |
| 7 | Hydrogen-XT, Inc. | 35555 Ghost Town Road, Yermo, CA 92398 | \$2,124,145 | \$0 | \$908,105 | Ineligible for funding due to not achieving a minimum of 70% under the Coverage, Capacity and Market Viability; Safety Planning; and Project Readiness evaluation criteria. |
| 7 | Hydrogen-XT, Inc. | 16125 Baseline Avenue, Fontana, CA 92336 | \$2,124,145 | \$0 | \$908,105 | Ineligible for funding due to not achieving a minimum of 70% under the Coverage, Capacity and Market Viability; Safety Planning; and Project Readiness evaluation criteria. |
| 7 | Hydrogen-XT, Inc. | 4994 East Ashlan Avenue, Fresno, CA 93727 | \$2,124,145 | \$0 | \$908,105 | Ineligible for funding due to not achieving a minimum of 70% under the Coverage, Capacity and Market Viability; Safety Planning; and Project Readiness evaluation criteria. |
| 7 | Hydrogen-XT, Inc. | 6819 Carson Street, Lakewood, CA 90713 | \$2,124,145 | \$0 | \$908,105 | Ineligible for funding due to not achieving a minimum of 70% under the Safety Planning and Project Readiness evaluation criteria. |
| 7 | Hydrogen-XT, Inc. | 1860 Main Street, Morro Bay, CA 93442 | \$2,124,145 | \$0 | \$908,105 | Ineligible for funding due to not achieving a minimum of 70% under the Coverage, Capacity and Market Viability; Safety Planning; and Project Readiness evaluation criteria. |
| 7 | Hydrogen-XT, Inc. | 6616 Miramar Road, San Diego, CA 92121 | \$2,124,145 | \$0 | \$908,105 | Ineligible for funding due to not achieving a minimum of 70% under the Coverage, Capacity and Market Viability; Safety Planning; and Project Readiness evaluation criteria. |
| 7 | Hydrogen-XT, Inc. | 1403 South Santa Fe Avenue, Vista, CA 92083 | \$2,124,145 | \$0 | \$908,105 | Ineligible for funding due to not achieving a minimum of 70% under the Coverage, Capacity and Market Viability; Safety Planning; and Project Readiness evaluation criteria. |

| Proposal Number | Applicant | Station Address | Funds Requested | Proposed Award | Match Amount | Reason for Ineligibility |
|------------------------------------------------------------|-----------------------------------------------|--------------------------------------------------|-----------------|----------------|--------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Ineligible for Funding for Main Station Competition | | | | | | |
| 7 | Hydrogen-XT, Inc. | 1010 Fairway Drive, City of Industry, CA 91789 | \$2,124,145 | \$0 | \$908,105 | Ineligible for funding due to not achieving a minimum of 70% under the Coverage, Capacity and Market Viability; Safety Planning; and Project Readiness evaluation criteria. |
| 7 | Hydrogen-XT, Inc. | 4498 Bonita Road, Chula Vista, CA 91902 | \$2,124,145 | \$0 | \$908,105 | Ineligible for funding due to not achieving a minimum of 70% under the Coverage, Capacity and Market Viability; Safety Planning; and Project Readiness evaluation criteria. |
| 8 | Air Liquide Advanced Technologies U.S. LLC | 690 Ygnacio Valley Road, Walnut Creek, CA 94596 | \$1,712,461 | \$0 | \$733,912 | Ineligible for funding due to not achieving a minimum of 70% under the Coverage, Capacity and Market Viability evaluation criterion. This station may become eligible in the future if the Energy Commission re-evaluates the Coverage, Capacity, and Market Viability criterion scores with input from CHIT. |
| 8 | Air Liquide Advanced Technologies U.S. LLC | 2893 65th Street, Sacramento, CA 95817 | \$1,712,461 | \$0 | \$733,912 | Ineligible for funding due to not achieving a minimum of 70% under the Coverage, Capacity and Market Viability evaluation criterion. This station may become eligible in the future if the Energy Commission re-evaluates the Coverage, Capacity, and Market Viability criterion scores with input from CHIT. |
| 8 | Air Liquide Advanced Technologies U.S. LLC | 7850 Amador Valley Boulevard, Dublin, CA 94568 | \$1,712,461 | \$0 | \$733,912 | Ineligible for funding due to not achieving a minimum of 70% under the Coverage, Capacity and Market Viability evaluation criterion. This station may become eligible in the future if the Energy Commission re-evaluates the Coverage, Capacity, and Market Viability criterion scores with input from CHIT. |
| 8 | Air Liquide Advanced Technologies U.S. LLC | West Frontage Road, Berkeley, CA 94720 | \$1,146,361 | \$0 | \$798,510 | Ineligible for funding due to not achieving a minimum of 70% under the Coverage, Capacity and Market Viability evaluation criterion. This station may become eligible in the future if the Energy Commission re-evaluates the Coverage, Capacity, and Market Viability criterion scores with input from CHIT. |
| 9 | FirstElement Fuel, Inc. | 666 North Santa Cruz Avenue, Los Gatos, CA 95030 | \$1,972,785 | \$0 | \$657,955 | Ineligible for funding due to not achieving a minimum of 70% under the Coverage, Capacity and Market Viability evaluation criterion. This station may become eligible in the future if the Energy Commission re-evaluates the Coverage, Capacity, and Market Viability criterion scores with input from CHIT. |
| 10 | HTEC Hydrogen Technology & Energy Corporation | 1101 Broadway, Sacramento, CA 95818 | \$2,124,416 | \$0 | \$387,925 | Ineligible for funding due to not achieving a minimum of 70% under the Project Readiness evaluation criterion. |

| Proposal Number | Applicant | Station Address | Funds Requested | Proposed Award | Match Amount | Reason for Ineligibility |
|------------------------------------------------------------|-----------------------------------------------|---------------------------------------------------------|---------------------|----------------|---------------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Ineligible for Funding for Main Station Competition | | | | | | |
| 10 | HTEC Hydrogen Technology & Energy Corporation | 1400 19th Avenue, San Francisco, CA 94122 | \$2,124,416 | \$0 | \$387,925 | Ineligible for funding due to not achieving a minimum of 70% under the Project Readiness evaluation |
| 10 | HTEC Hydrogen Technology & Energy Corporation | 3753 San Pablo Dam Road, El Sobrante, CA 94803 | \$2,124,416 | \$0 | \$387,925 | Ineligible for funding due to not achieving a minimum of 70% under the Project Readiness evaluation |
| 10 | HTEC Hydrogen Technology & Energy Corporation | 3939 Snell Avenue, San Jose, CA 95136 | \$1,933,337 | \$0 | \$350,225 | Failed to achieve a minimum required passing score for total possible points. (received 67.20%) |
| 10 | HTEC Hydrogen Technology & Energy Corporation | 3303 San Felipe Road, San Jose, CA 95135 | \$1,933,337 | \$0 | \$350,225 | Ineligible for funding due to not achieving a minimum of 70% under the Project Readiness evaluation criterion. |
| 10 | HTEC Hydrogen Technology & Energy Corporation | 4501 Sonoma Highway, Santa Rosa, CA 95409 | \$1,933,337 | \$0 | \$350,225 | Ineligible for funding due to not achieving a minimum of 70% under the Project Readiness evaluation criterion. |
| 10 | HTEC Hydrogen Technology & Energy Corporation | 115 Portola Road, Portola Valley, CA 94028 | \$2,122,117 | \$0 | \$477,375 | Ineligible for funding due to not achieving a minimum of 70% under the Project Readiness evaluation criterion. |
| 10 | HTEC Hydrogen Technology & Energy Corporation | 569 Terry A Francois Boulevard, San Francisco, CA 94158 | \$2,122,117 | \$0 | \$477,375 | Ineligible for funding due to not achieving a minimum of 70% under the Project Readiness evaluation criterion. |
| 11 | Air Products and Chemicals, Inc. | 19172 Jamboree Rd., Irvine, CA 92612 | \$1,302,130 | \$0 | \$229,788 | Ineligible for funding due to not achieving a minimum of 70% under the Coverage, Capacity and Market Viability evaluation criterion. This station may become eligible in the future if the Energy Commission re-evaluates the Coverage, Capacity, and Market Viability criterion scores with input from CHIT. |
| 12 | A3 Labs LLC. | 3400 Ettie Street, Oakland, CA 94608 | \$2,337,500 | \$0 | \$5,262,500 | Ineligible for funding due to not achieving a minimum of 70% under the Qualifications of the Applicant/Project Team; Coverage, Capacity and Market Viability; Safety Planning; Project Readiness; and Hydrogen Refueling Station Performance evaluation criteria. |
| 13 | StratosFuel, Inc. | 1084 Columbia Avenue, Riverside, CA 92507 | \$1,753,350 | \$0 | \$345,650 | Ineligible for funding due to not achieving a minimum of 70% under the Coverage, Capacity and Market Viability evaluation criterion. This station may become eligible in the future if the Energy Commission re-evaluates the Coverage, Capacity, and Market Viability criterion scores with input from CHIT. |
